

DONATIONS WELCOMED!

Our volunteer members have identified a few essential safety items, tools, and other maintenance items that need to either be replaced or upgraded to ensure our club members are not only providing top notch trails but are safe while on the "job". Below is a list of priority needs as well as a "would be nice" wish list. If you are willing and able to donate any of these items (new or gently used) or would like to make a cash donation, please comment on this post, send a PM, or contact us at winterhuskiessc@gmail.com. Thank you for your support - please feel free to share with your friends.
